CHIEF SECRETARY.

Subject :- Increase in rent of business premises.

Reference:- Your G/30/35 of 9th March, 1935.

The petition forwarded with your letter under reference has been acknowledged.

2. From careful enquiries made in Tulkarm I have come to the conclusion that the increase in rents (which has in fact taken place in the case of one or two of the large houses) is not sufficiently general to justify granting the request of the petitioners.

G. L. Hume
DISTRICT COMMISSIONER.

G/30/35.

9 March, 1935.

District Commissioner,
Northern District.

I am directed to transmit herewith the original of a petition addressed to the High Commissioner by certain persons of Tulkarm in which they request that the Landlords and Tenants (Ejection and Rent Restriction) Ordinance should be applied to Tulkarm.

I am to request you to convey a suitable acknowledgement to the petitioners.

2. If you consider that any action is necessary, I shall be glad to receive your recommendations.

ACTING CHIEF SECRETARY.
